

Transformed Daily Devotional

Day 22:

If you have stuck to this devotional then you have been in the Word every day for the last three weeks. You are well on your way to making this a habit! Remember what Jesus said about feeding ourselves!

Matthew 4:4 (NIV)

"It is written: 'Man does not live on bread alone, but on every word that comes from the mouth of God.'"

You have been feeding yourself each day through the Gospel of John but now we are going to switch gears. You may think that because I'm a pastor I'm supposed to love all of Scripture equally but there are particular passages and books that have a greater impact in my life and faith. My favorite book is II Corinthians. The apostle Paul penned his second epistle to the Corinthian church and opened his heart to them. He writes about God's personal dealings with him, his heart and ministry. The depth of spiritual truth and applicable teaching found in II Corinthians will hopefully quench your deepest thirst for spiritual growth.
